Competitive Event Guidelines & Modifications

Competitive Event guidelines can be found [HERE](#).

We will continue to update any event modifications for the in-person state leadership conference on the [SLC page](#). We will have these updates available on or before February 14, 2025.

State Officer Information

Michigan HOSA state officers are a critical component to the success of our organization. State officers help to plan and facilitate Michigan HOSA conferences. Serving as a state officer is a wonderful opportunity to work on a team of driven individuals all striving for the same goal; to serve our members and improve Michigan HOSA.

If you have a student interested in running for state office, please visit the [MI HOSA State Officer Candidate Information](#) on our website.

There you will find:

- [Officer Candidate Rules & Regulations](#)
- [State Officer Study Topics for Written Examination](#)

If you have more questions about running for state office, please email hosa@mhc.org.

Pay for SLC

Schools must pay their SLC registration fees by the start of the conference on April 17, 2025. Schools must also have their regional conference invoices paid in order to compete at the state leadership conference. Advisors can check for any outstanding balances through the HOSA Conference Management System. Schools can download an invoice through the HOSA CMS or request one by emailing samantha.pohl@mhc.org.

If schools are submitting a check, please send it to: **Michigan HOSA, 2121 University Park Drive, Suite 150, Okemos, MI 48864.**

Digital Upload Information

Students/teams are required to upload materials for their competitive event to be prejudged for SLC by **March 22, 2025 by 11:59 PM**. Even though they submitted materials for regionals, they **MUST** re-submit materials for SLC to be prejudged. Competitors can make any necessary changes to their document(s) before resubmitting. The submission process is the same as regionals. For more information on how to submit, [click HERE](#). The following events require a digital upload:

- Clinical Specialty
- Community Awareness
- Family Medicine Physician
- Health Career Display
- Health Career Photography
- Health Education
- Job Seeking Skills
- Interviewing Skills
- Medical Innovation
- Mental Health Promotion
- MRC Partnership
- Public Health
- Public Service Announcement
- Research Poster
- Researched Persuasive Writing & Speaking

Please look at the competitive event guidelines as to what should be included in the digital upload.

Failure to upload materials by the deadline will result in a score of zero for that portion of the event. Students/teams can still compete in round two at the conference, but they will not have a score for round one of the event.

IEPS and Accommodations

For events that require an IEP (Interviewing Skills, Personal Care, Life Support Skills, Speaking Skills), advisors do NOT need to re-submit the IEP form UNLESS something has changed/needs to be updated. Michigan HOSA will use the form that was submitted for regionals. Advisors with students that do not have an IEP but are requesting an accommodation need to have [this form filled out](#) by March 22, 2025. If an accommodation request was already made for regionals, the form does not need to be resubmitted. These forms must be filled out by the advisors/school personnel only, not students. Please email Sam (samantha.pohl@mhc.org) with questions.

ATC Testing & Recognition Events

NEW THIS YEAR: Students who would like to take an ATC knowledge test(s) AND/OR participate in a Recognition Event need to register in the **ATC Tests & Recognitions Events- 2025 SLC** event in the CMS. You will not be able to register for these in the main 2025 Michigan HOSA State Leadership Conference in the CMS. ATC tests are not considered HOSA competitive events. They are part of the HOSA Recognition Events category. Therefore, they will be taken **ONLINE ONLY**, open note/book, on March 29, 2025. These tests can be taken anytime between 8:00 AM- 8:00 PM on March 29. They do not need to be taken at school or with a proctor. Participants will receive a certificate of completion and results will be posted online. The top 5 competitor names in each event will be recognized in the 2025 Michigan HOSA State Leadership Conference program. Students will **NOT** be recognized on-stage at the state leadership conference in April. ATC tests are **FREE** and any HOSA member can take them (whether they have qualified for SLC or not). Students can take as many tests as they want. If a student is only taking an ATC test(s) and/or doing a recognition event, they only need to register for these in the ATC Tests & Recognition Events event in the CMS. If students are participating in an ATC test/Recognition Event **AND** a HOSA **competitive** event, students must be registered for **BOTH** the **“ATC Tests & Recognition Events- 2025 SLC”** **AND** the **“2025 Michigan HOSA State Leadership Conference”** in CMS.
